C. Membership – Mike reported, as read by Peggy,

1. *On August 28th I sent out an email to the 17 former members who had not yet renewed their membership. The message consisted of telling them that the new season was well on its way and that we missed their participation. Only 2 responded, one with a reason not worth mentioning, and one that they would rejoin once back from their vacation.*
2. *As of September 13th, we have 30 paid members and 3 honorary members.*

D. Website – Robin & Mike

1. I noticed that the site was allowing members to upload evaluation images beyond the 2-image limit, without checking the “make-up” box. The 2-image limit is a carryover rule from years ago and was built into the new website. Somehow, the coding was altered, and the limit was removed. The 2-image limit is now back in place for both Digital and Print evaluation images. Make-up is allowed and is facilitated by checking the make-up image box. In all cases, the most images that can be submitted per evaluation event are 3 images. We have four Digital and four Print evaluation events each season, thus each member is allowed to upload 8 images for digital and 8 images for print EACH SEASON.
2. After reaching out twice, I’ve yet to hear from new member Adela Barnett in order to help her set up her website access. Being that I don’t have a phone number, and she is apparently not getting my emails, someone that attends a physical meeting will have to ask her to contact me.
3. Don is to check with Mike on where/how the \$\$\$ was spent that was paid to the Website.

E. A/V support – Rajiv – N/R

We now need a backup person to run the AV if Rajiv is unable.
Richard Faulkner is now the person responsible for the easel.

F. Scavenger Hunt – Dick – To be added to newsletter and hopefully listed on the website once Dick asks Robin.
