## **June 8<sup>th</sup> Show Your Stuff**

This is the last meeting of the SBCC Year (I don't know why the year ends in June, it just does). So, bring your photos on a computer, paper prints, or carved into limestone stele. This is your opportunity to show your work, brag about what you have done, or just meet and talk with the other members about what you would like to do.

The election for next year's officers will also be held. Show up or you might be elected.

## **Spring Banquet June 22<sup>nd</sup>**

The Spring Banquet will be at di Roma Cucina at 6:00 pm on June 22nd. There will be a raffle of photographic items, slide shows and good food. The cost is \$55 per person. How to make a reservation and pay will be announced shortly. If you have any photographic related items that you want to donate to the raffle contact Peggy Caffey.

## **July Recess**

The club takes the month of July off, with no normal meetings in the month (except for the mostly abnormal Coffee Klatch meeting). So you have all month to do whatever exciting thing you want to do (climb Everest, go over Niagara falls in a barrel, wash your hair).

## Scavenger Hunt Completed

After an exhausting campaign through dangerous environments and exciting predicaments eight striving members submitted their collections of photos for the Scavenger Hunt. Judging was held on May 25<sup>th</sup> in a very tense meeting filled with vigorous cheering from the supporters of all the participants. First place was taken by Emily Riddel with six perfect scores in the ten photos. Second place was awarded to Don Sandersfeld. And third place was captured by Emily Sandersfeld in a dazzling display of photographic brilliance.

## Member Galleries

We still have some members who have not started their Member Gallery. If you are one of them, please post a photo to your home gallery so we can see your work. We showed you ours, so show us your photos. If you have trouble adding photos, contact any board member for help.

## New AI Guidelines Implemented for club events

With the increase in availability of AI generated images, it has become necessary to implement some guidelines on the use of AI. The guidelines are:

1) Digital and Print Evaluation photos:

AI generated content is allowed with a marking requirement. All photos that include AI generated picture (including any AI generated image used as a part of the picture) must be marked with (G) at the end of its title when submitting any photo. For example, Flowers (G).

2) Scavenger Hunt Submissions:

Photos for Scavenger hunt must not be AI generated nor include AI generated content in part of the photo.
